Louisville, KY, June 13, 2023- Talitha Gholston announces the publication of *Vampires, Wolves and Hunters Oh My! Killers, Detectives and Kids but why?*, a collection of eight short stories which include the genres of science-fiction, romance, and drama. The collection will be release immediately for \$3.99, everywhere eBooks are sold.

"The Vampire Hunter" is the opening story for this collection. Unbeknownst to Kaylee's destiny and Deandre are intertwined. She is important to the world but doesn't know how much. He is the key to unlocking her greatest potential. Her mother saved him and died saving her. She has many gifts; some she knows others she hasn't figured out yet. Her brother is missing, and she has to save him. He is all she has left. The journey leads her to him and together they will fight.

"The Vampire Hunter: Deandre" is Deandre's story. Deandre was saved by a woman that he didn't know. They have been hunting the things that killed his father years ago. He is well trained and know he can talk to people he has an emotional connection with. When he hears the girls voice in his head he has to find answers. His destiny is intertwined with hers and he is determined to find out how. He embarks on a mission to save her brother and to find out how they are connected.

"The White Wolf Of Benu" is the retailing of the Vikings, their raids mixed with the African myth *"The Epic of Bakaridjan Kone."* The white wolf of Benu is a girl named Brana who dreams of being a protector. The only problem is she is a girl. When her village is slaughtered, and her people taken as prisoners she looks for help in a nearby village. She embarks on a journey to save her people and stop the oppressors from harming anyone else.

In *"The Hunt for A Serial Killer,"* hunting down a serial killer is hard. It's harder when that killer gets fascinated with you. Detective Shelton is
